Service as a Local Exchange Telephone

ORDER DISMISSING
APPLICATION

WELCH, Chairman; NUGENT and DIAMOND, Commissioners

I. SUMMARY

In this Order we dismiss without prejudice the Application filed by Atlas Communications, Ltd.(Atlas) for authority to provide local exchange service in the State of Maine.

II. DISCUSSION

On October 14, 1999 Atlas filed an application pursuant to 35-A M.R.S.A. § 2102 to provide local exchange service in Maine. The Commission Staff has communicated with Atlas on a number of occasions about omissions deficiencies in the schedule of rates and terms and conditions that accompany the application, including the need to revise certain Terms and Conditions, to provide rates and charges, and to provide signed tariff pages. On November 6, the Administrative Director of the Commission sent Atlas a letter describing these problems and asking Atlas if it wished to pursue the application. Atlas responded that it did wish to pursue the application, but it has not remedied the deficiencies as of this date.

We find that this application has been pending for too lengthy a period and we therefore dismiss it without prejudice. We note that since the application was filed we have made a number of important changes to our application package (that is available at our website and from the Administrative Director). Any new application that Atlas may file should take these changes into account.

Accordingly, we

O R D E R

That the application for authority to provide telephone service in Maine filed by Atlas Communications, Ltd. on October 14, 1999 is hereby found to be insufficient and is dismissed without prejudice.

Dated at Augusta, Maine, this 22nd day of February, 2002.
